This is a **Modification** to the **Native Language Preservation and Maintenance Immersion** Program Announcement, **HHS-2009-ACF-ANA-NL-0040**, published to the ACF Grant Opportunities webpage on December 5, 2008. **The application procedures are hereby modified.**

**Summary:**

Executive Summary: The Administration for Native Americans (ANA), within the Administration for Children and Families (ACF), announces the availability of Fiscal Year (FY) 2009 funds for new community-based activities under ANA's Native Language Preservation and Maintenance Immersion program area. Native Language Immersion grants will only be awarded to applicants that meet the Statutory requirements for immersion projects with language nests or language survival schools in accordance with P.L. 109-394.

Purpose of Modification: To clarify how to figure the non-Federal (NFS) share that is required, per *Section III, Part 2 Cost Sharing or Matching* of the PA. Currently, the PA explains the NFS calculation using incorrect figures. Both the Federal request amount and the total project costs are identified as \$125,000, with a NFS amount of \$25,000. To correct the calculation, the Federal request amount should be revised to \$100,000.
